

# BRESSAY HERITAGE CENTRE EVENTS

## SUMMER 2009

### 1. Learn to build a drystone dyke! Free workshops

Saturday 6th and Sunday 7th June

(advance bookings 07906 231 688)

### 2. 'Bressay Rocks!' Free geology workshops

Saturday 6th June 10am-12pm and 2pm-4pm

Discover how Bressay's rocks were formed

### 3. Bronze Age Bressay exhibition launch

*'Cruester burnt mound reconstruction project'*

Sunday 7th June - 12pm til 4pm

Find out how Bressay History Group rescued this unusual 4,000 year old monument from destruction by coastal erosion when they relocated it to Bressay Heritage Centre in 2008.

including

*Cake sale, teas and coffees, raffle*

*Project slideshow and guided site tours*

*Experimental workshops*

### 4. Bronze Age Bressay experimental weekend

Saturday 22nd and Sunday 23rd August

Test your burnt mound theory! Living history events with Timezone

including

*Bronze Age cooking, bathing and saunas!*

*Prehistoric tool making*

Entry to the reconstruction is via the gate signposted 'Bronze Age Bressay', located to the right of the heritage centre (the white building at the far corner of the ferry car park). All events are between 11am and 4pm at Bressay heritage centre unless stated otherwise.

Disabled access and toilet facilities available. For further information about Bronze Age Bressay, including experimental events, visit [www.shorewatch.co.uk/cruester](http://www.shorewatch.co.uk/cruester)
